

Mental Health Resources in the Workplace

Promote Mental Health Awareness in the Workplace:

- Take the **Stigmafree Pledge** to #CureStigma
- Celebrate Mental Health Awareness Month and Minority Mental Health Month and World Mental Health Day
- Create a **Mental Health Diplomats Program** where employees volunteer to serve as a resource for their colleagues who may be struggling with mental health concerns — connecting them to services offered by the company as well as other resources.
- Consider doing a **NAMI Walk** as a team building & awareness event
- Include behavioral health content in newsletters
- Promote awareness through signage (**NAMI** Infographics)
- Participate in social media campaigns such as **#CureStigma PSA's**
- Provide education about **HIPAA**, the **ADA**, & **Mental Health Parity** to address concerns about confidentiality, protections and costs
- Mention mental health in sick day benefits
- Like and share social media posts from:
 - » **National Alliance on Mental Illness (NAMI)**
 - » **Mental Health America**
 - » **National Institute of Mental Health**
 - » **Depression and Bipolar Support Alliance Advocacy Center**
 - » **Hope for the Day**
 - » **Psychology Today**
