

SELF-LOVE WHEEL

The Self-Love Wheel is a self-evaluation tool that helps you realize where your strengths and weaknesses are when it comes to self-love. Don't worry about your scores—we are all works in progress. Completing the wheel exercise is easy. After you go through it once, you'll be a pro. And if you become discouraged because there is still progress to be made, always remember we are looking for progress, not perfection.

The wheel exercise begins with a set of questions. After you read a question, simply rate yourself on the following scale: Poor (1-3), Fair (4-5), Good (6-7), Prosperous (8-10). Each wheel diagram contains a set of spokes, similar to the spokes on a bicycle wheel.

After you answer each wheel exercise question, chart your answer on the wheel. Find the spoke that matches the label of the question. Then, simply place a dot on the spoke next to the number that corresponds with your answer. After scoring yourself on every spoke, connect the dots to create a circle. Note that the higher a number is, the closer it is to the outer section of the wheel, while lower scores are more toward the middle.

The Self Love Wheel Example

The “dents” on the wheel represent areas where this person scored lower. This wheel was filled out by someone who doesn’t have much when it comes to Physical Activity, so she scored low in that area, but she scored high when it came to Grow & Learn. This program provides the opportunity to begin working on these dents, or areas of deficit, today.

To get a base reading on how you currently handle your finances, start by completing The Self Love Wheel.

The Self-Love Wheel

After you answer each wheel exercise question, chart your answer on the wheel. Find the spoke that matches the label of the question. Start at the top of the wheel. Then, simply place a dot on the spoke next to the number that corresponds with your answer. For example, if you rated yourself a 3, put a dot at the 3 mark on the spoke.

After scoring yourself on every spoke, connect the dots to create a circle. Note that the higher a number is, the closer it is to the outer section of the wheel, while lower scores are more toward the middle.
