Hear from Joyce's Clients

"Joyce delivered a three-part series to our audience of more than 200 chief financial officers. It was one of the most popular sessions we have offered in our 16-year history, with several members indicating that it was among the most important programs they have ever attended. One might not have expected such a reaction from a group of financial executives, but Joyce lessons were very pragmatic, and she has a rare ability to connect with an audience. The CFO Leadership Council hosts almost 300 events per year, and she ranks among the very best speakers we have had."

Jack McCullough

CFO LEADERSHIP COUNCIL FOUNDER

"Even though Joyce has built a multi-million dollar company, when she speaks on stage, she injects humor and authenticity - so she becomes relatable to all audiences. Joyce uses her mental health and business background to inspire audiences to find more success, fulfillment, and balance in their lives. She commands the room with authority, yet makes each person feel like they know her. Her presentations are full of heart and are incredible inclusive. She's perfect for large and small audiences. Book her!"
