jason@joyce-marter.com

## WHAT JASON BRINGS TO ORGANIZATIONS

- Boosted **team collaboration** and morale through engaging, interactive sessions
- Stronger **communication and conflict resolution** across teams and leadership
- Improved **emotional intelligence and resilience** in high-stress environments
- A more **inclusive and respectful culture** during times of change and challenge
- **Proven impact** across corporate, educational, and nonprofit sectors

## ABOUT JASON

**Jason Marotzke, M.Ed.** is a seasoned speaker, educator, and consultant with over two decades of experience in counseling, leadership, and training. He is an **award-winning leader** who has served multiple board presidencies and leadership roles on counseling boards at the state, regional and national level. As **COO and Speaker at Joyce Marter Enterprises, Inc.**, Jason delivers dynamic keynotes and workshops that improve communication, reduce burnout, and strengthen team connection.

A former affiliate faculty member at **The Family Institute at Northwestern University**, and instructor at Roosevelt University and The University of Mary, Jason has trained thousands—from corporate leaders and educators to mental health professionals, parents, and students. Known for his **warm, humorous style and improv-based approach** (honed at **The Second City**), Jason creates psychologically safe, engaging learning environments that inspire both personal and professional growth.

## TESTIMONIALS

"Jason did a great job. If not sooner, we will ask Jason back to present again next year."

– **Casey Solomon, City of Evanston**

"I am proud to recommend Jason Marotzke as a professor, professional speaker, educator, and leadership consultant. As a solo speaker, Jason is educational, engaging, entertaining, and effective."

– **Dr. Michele Kerulis, Northwestern University**

"Jason is an outstanding educator and presenter. His unique approach, like the interactive 'The Use of Improv in Counseling,' makes learning enjoyable."

– **Dr. Amy Mooney, Iowa Board Behavioral Health**

"Jason's listening skills, adaptability, and attunement ensure relevant and useful outcomes, from creating meaningful content to constructing keynote talks. He is dynamic, engaging, and appropriately entertaining."

– **Stephanee Standefer, The Family Institute**

"I've experienced how engaging, passionate and poignant he can be on mental health issues. His Improv training really aids his interaction with his attendees, as well."

– **Jennifer Froemel, Innovative Counseling Partners, LLC**
